1. ABOUT APEDA

The Agricultural and Processed Food Products Export Development Authority (APEDA) was established by the Government of India under the Agricultural and Processed Food Products Export Development Authority Act passed by the Parliament in December, 1985. The Act (2 of 1986) came into effect on 13th February, 1986 through a notification issued in the Gazette of India: Extraordinary: Part-II [Sec. 3(ii): 13.2.1986]. The Authority replaced the Processed Food Export Promotion Council (PFEPCC). In terms of Chapter V Section 21(2) of the APEDA Act, a copy of the Annual Report of the Authority providing a true and complete account of its activities, policy and programmes during the previous financial year is required to be presented annually to the Central Government for causing the same to be laid before each House of Parliament.

This document is the 38th Annual Report of Agricultural and Processed Food Products Export Development Authority (APEDA) for the financial year 2023-24.

1.1 APEDA - ORGANIZATIONAL SET UP

The Agricultural and Processed Food Products Export Development Authority (APEDA) has its headquarters at New Delhi and is headed by the Chairman, APEDA.

APEDA has set up 16 Regional Offices at:

- 1) Ahmedabad
- 2) Bengaluru
- 3) Bhopal
- 4) Chandigarh
- 5) Chennai
- 6) Guwahati
- 7) Hyderabad
- 8) Jammu
- 9) Kochi
- 10) Kolkata
- 11) Ladakh
- 12) Mumbai
- 13) Srinagar
- 14) Tripura
- 15) Varanasi
- 16) Visakhapatnam

1.2 ASSIGNED FUNCTIONS

In accordance with the provisions of Agricultural and Processed Food Products Export Development Authority Act, 1985, (2 of 1986) APEDA has been assigned the following functions: -

- a) Development of industries related to the scheduled products for export by way of providing financial assistance or otherwise, including undertaking surveys and feasibility studies, participation in equity capital through joint ventures and other relieves and subsidy schemes;
- b) Registration of individuals as exporters of the scheduled products subjected to payment of prescribed fees.
- c) Fixing of standards and specifications for the scheduled products intended for exports;
- d) Carrying out inspection of meat and meat products in slaughter houses, processing plants, storage premises, conveyances or other places where such products are kept or handled for the purpose of ensuring the quality of such products;
- e) Improving of packaging of the Scheduled products;
- f) Improving of marketing of the Scheduled products outside India;
- g) Promotion of export-oriented production and development of the Scheduled products;
- h) Collection of statistics from the owners of factories or establishments engaged in the production, processing, packaging, marketing or export of the scheduled products or from such other persons as may be prescribed on any matter relating to the scheduled products and publication of the statistics so collected or of any portions thereof or extracts there from;
- i) Training in various aspects of the industries connected with the scheduled products;
- j) Such other matters as may be prescribed.

1.3 PRODUCTS MONITORED

APEDA is mandated with the responsibility of export promotion and development of the following scheduled products as provided in First Schedule of APEDA Act:

Basmati Rice has been included in the Second Schedule of APEDA Act.

In addition to this, APEDA has been entrusted with the responsibility of monitoring the import of sugar as well.

APEDA also functions as the Secretariat to the National Accreditation Board (NAB) for implementation of accreditation of the Certification Bodies under National Programme for Organic Production (NPOP) for organic exports. "Organic Products" for export are to be certified only if Produced, Processed and packed as per the standards laid down in the document - "National Programme for Organic Production (NPOP)."

1.4 COMPOSITION OF THE APEDA AUTHORITY

As prescribed by the statute, the APEDA Authority consists of the following members namely:

- A Chairman, appointed by the Central Government
- The Agricultural Marketing Advisor to the Government of India, ex-officio;
- One member appointed by the Central Government representing the Niti Aayog;
- Three members of Parliament of whom two are elected by the House of People and one by the Council of States
- Eight members appointed by the Central Government representing respectively; the Ministries of the Central Govt. dealing with:
 - Agriculture and Rural Development
 - Commerce
 - Finance
 - Industry
 - Food
 - Civil Supplies
 - Civil Aviation
 - Shipping and transport
- Five members appointed by the Central Government by rotation in the alphabetical order to represent the States and the Union Territories on the recommendations of concerned State/Union Territory;
- Seven members appointed by the Central Govt. representing
 - Indian Council of Agricultural Research
 - National Horticultural Board
 - National Agricultural Cooperative Marketing Federation
 - Central Food Technological Research Institute
 - Indian Institute of Packaging
 - Spices Export Promotion Council and
 - Cashew Export Promotion Council.
- Twelve members appointed by the Central Government representing:
 - Fruit and Vegetable Products Industries
 - Meat, Poultry and Dairy Products Industries
 - Other Scheduled Products Industries
 - Packaging Industry
- Provided that the number of members appointed to represent any of the groups of industries specified in sub-clause (i) to (iii) or the industry specified in sub-clause (iv) shall in no case be less than two;
- Two members to be appointed by the Central Government from specialists and scientists in the field of agriculture, economics and marketing of Scheduled products.

1.5 ADMINISTRATIVE SETUP

Chairman	-	Appointed by the Central Government
Director	-	Appointed by Central Government
Secretary	-	Appointed by the Central Government
Other Officers and Staff	-	Appointed by the APEDA

Section 7 (3) of the APEDA Act provides for appointment of such officers and employees by the Authority as may be necessary for the efficient performance of its functions.

The sanctioned strength/posts of APEDA are as follows:

Group A	-	41 posts
Group B	-	42 posts
Group C	-	60 posts (*)
Total	-	143 posts

(*) As per APEDA Restructuring Report approved by DOC in January 2019, Group C posts once vacant are not to be filled, except in the case of promotion to the posts of Assistant/Cash Executive)

Chairman of the Authority

Dr. M. Angamuthu, IAS held the charge of Chairman, APEDA from 01-04-2023 to 08-05-2023.

Shri Rajesh Agrawal, IAS Additional Secretary, DoC held the additional charge of Chairman, APEDA from 01-06-2023 to 19-07-2023.

Shri Abhishek Dev, IAS held the charge of Chairman, APEDA from 20.7.2023 to 31.3.2024.

Secretary

Dr. Sudhanshu held the charge of Secretary, APEDA from 01-04-2023 to 31-03-2024.

Director

Dr. Tarun Bajaj held the charge of Director, APEDA from 01-04-2023 to 30-11-2023.

Officers and Staff of the Authority

During the period under review, the total number of employees in the organization was 80 as against the total sanctioned staff strength of 143 Group – A, B & C employees. The category-wise break up of employees of the APEDA Authority was as follows:

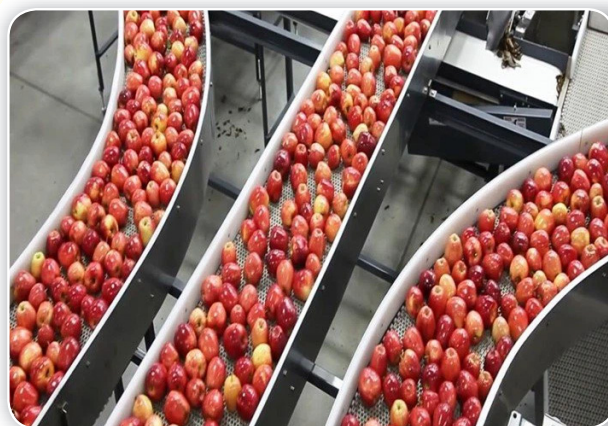

In Ranks equivalent to Group A posts in the Government (including Chairman)	25
In Ranks equivalent to Group B posts in the Government	42
In Ranks equivalent to Group C posts in the Government	13

The welfare and development of SC/ST/OBCs and women employees is adequately looked after by the Authority.

At present, APEDA has a total of 25 female employees in Group A, B and C categories.

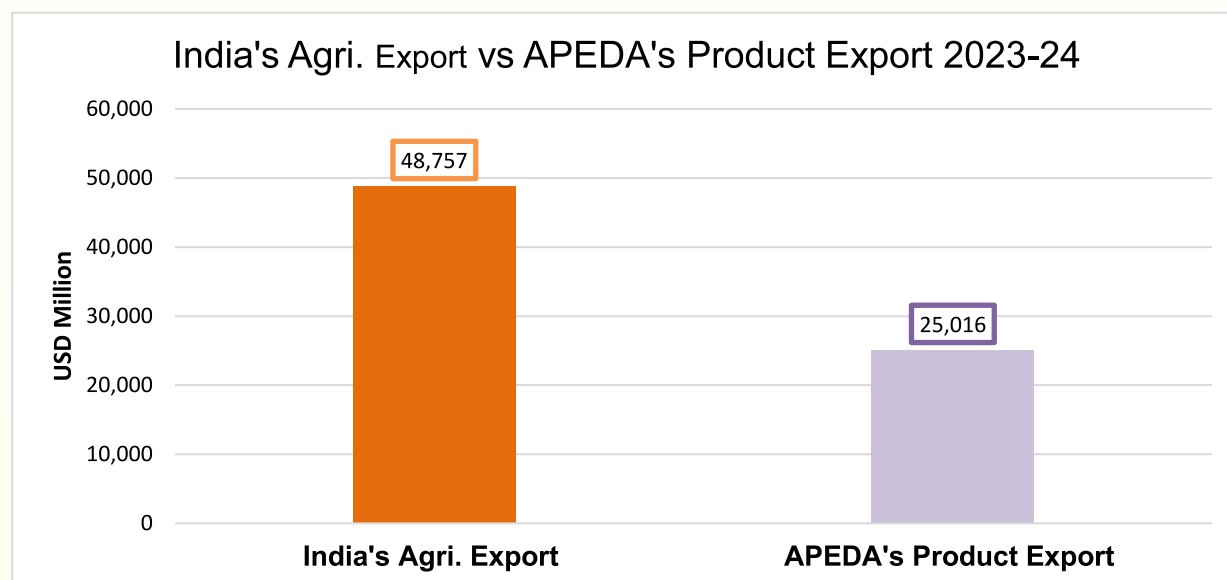

APEDA has formed a committee for receiving complaints against sexual harassment against women at work places which is being headed by a woman officer of the level of General Manager. The welfare of the female employees is also well looked after and there was no complaint from any woman employee for harassment or related to their welfare.

As per Govt. norms, the reservation for physically handicapped persons is 4% of the total strength in all grades. Against the existing staff strength of 80, one incumbent is physically challenged. APEDA has taken care of the welfare of persons with disabilities. APEDA has provided motorized wheel chair to one of the employees to move within the office. Further, all the facilities as per rule are given to them. So far, no complaints have been received from them.

5. IMPLEMENTATION OF OFFICIAL LANGUAGE IN APEDA

APEDA has implemented various provisions of the Official Languages Act and Rules of the Government of India during 2023-24. APEDA has complied with the Official Languages Act, 1963 official language rules. Such as submission of reports to the Department of Official Language, Ministry of Home Affairs, and the Department of Commerce, Ministry of Commerce & Industries, within the stipulated time period. APEDA has taken effective steps for the promotion of Hindi in day-to-day office work, such as:

1. Official Language Implementation Committee meetings were organized regularly during the financial year 2023-24.
2. All the documents under section 3(3) of the Official Languages Act, 1963 are invariably issued in bilingual form.
3. For the operational implementation of the official language and to increase correspondence in Hindi, APEDA has taken initiatives, and the following online certificates are being issued bilingually to exporters.
 - a. RCMC
 - b. RCAC
 - c. COE
4. APEDA participated in “DWITIYA TAKNIKI SAMMELAN” which was held on 6th June, 2023.
5. APEDA has participated in “TRITIYA AKHIL BHARTIYA RAJBHASHA SAMMELAN” which was held on 14-15th September 2023 at Pune, Maharashtra.
6. Hindi Fortnight was organized from 15th to 29th September, 2023. Various competitions were organized to encourage and promote the use of Hindi as a mode of communication.
7. APEDA has actively and regularly participated in the meetings of TOLIC.
8. APEDA participated in “RAJBHASHA SAMMELAN” on 23rd February 2024 organized by TOLIC.
9. All the file covers are printed bilingually and commonly used phrases (bilingual) to assist the employees in doing regular notings in Hindi.
10. Official Language officials of the Ministry of Commerce and Industry visited APEDA Head Office in New Delhi on 20th November 2023 and inspected the Hindi registers and files, and interacted with APEDA officials on the implementation of Official Language Hindi.
11. A prize distribution ceremony was organized to honor the employees who participated in competitions organized during Hindi Pakhwada 2023 and to encourage them to work in Hindi.
12. A cash incentive scheme has been implemented for motivating the employees for doing their day-to-day office work in Hindi.
13. The APEDA website is also updated regularly in Hindi language
14. Sh. Anirban Kumar Vishwas, Deputy Director (Execution), Department of Official Language, Ministry of Home Affairs, Regional Implementation Office (South), visited RO Bengaluru on 27.03.2024 and carried out the Official language inspection for monitoring progressive use of Official language Hindi in the office.

6. AGRICULTURE AND PROCESSED FOODS EXPORT PROMOTION SCHEME OF APEDA

Agriculture and Processed Foods Export Promotion Scheme of APEDA is an export promotion initiative administered by APEDA. The scheme aims to facilitate the export of agri-products by providing assistance to exporters. It achieves its objective through the following:

- Understanding the several challenges faced by agri-exporters.
- Acknowledging the need for assistance to successfully navigate through these challenges and achieve objectives of APEDA.
- Financial assistance is provided in three broad areas, namely: Market Development, Development of Export Infrastructure and Quality Development

6.1 MARKET DEVELOPMENT

This component helps exporters to achieve market access in new markets and help sustain their presence in the existing markets. It covers structured marketing strategies for export of food products; market intelligence for taking informed decisions, international exposure, skill development, capacity building and high-quality packaging. The assistance under this component covers the following:

- Participation in International Trade Fairs
- Exchange of Trade Delegations
- Organizing Buyer Seller Meets (BSM)
- Developing packaging standards for new products and upgrading the existing standards

6.2 INFRASTRUCTURE DEVELOPMENT

APEDA recognizes the importance of infrastructure for growth of agro-industries and export of agricultural products in the value chain. The scheme component covers both fresh produce and processed food products. The objective of the scheme is to reduce losses caused due to spoilage and to ensure quality production of agro products. To achieve this, it seeks to set up post-harvest handling facilities. Under this component, assistance is provided for the following:

- Infrastructure such as pack house facilities with packing/grading lines
- Pre-cooling units with cold storages and refrigerated transportation etc.
- Cable system for handling of crops like banana
- Common infrastructure facilities
- Pre-shipment treatment facilities such as irradiation, Vapour Heat Treatment (VHT), Hot Water Dip Treatment (HWDT) for compliance with Phyto-Sanitary requirements of importing countries.
- Infrastructure for processing facilities (processed food sector) for addressing missing gaps which may include equipment like X-ray, Screening, Sortex, filth / metal detector, sensors, vibrators or any new equipment or technology for food safety and quality requirements

6.3 QUALITY DEVELOPMENT

To participate/engage in international trade, it is necessary to comply with Food Safety requirements of different countries. Several importing countries demand adherence to stringent Maximum Residue Levels (MRLs). Some of the developed importing countries have set up MRLs at very low level. For this, high precision equipments are required to be installed by the food testing labs. Under this component, assistance is provided to comply with the prescribed standards of importing countries. Assistance under this component covers the following:

- Installation of quality management systems,
- Laboratory testing equipment,
- Hand held devices for capturing farm level peripheral coordinates for traceability systems and testing of samples etc.
- Testing of water, soil, residues or pesticides, veterinary drugs, hormones, toxins, heavy metal, contaminants etc.

6.4 THE BUDGET STATEMENT FOR THE FINANCIAL YEAR 2023-24:

7. APEDA'S E-GOVERNANCE INITIATIVES

During the 2023-24 period, the Information Technology (IT) division of APEDA played a pivotal role in overseeing daily operations, including planning, organizing and managing various functional areas to align with APEDA's objectives under the guidance of senior officials.

The division was instrumental in designing, developing and implementing new software solutions, adopting advanced technologies and upgrading hardware, software and other technological systems. It effectively addressed and resolved queries from stakeholders, APEDA officials, departments, and external agencies, while also supervising administrative service professionals and technical/support staff to ensure smooth operations.

A. TRACENET – TRACEABILITY SYSTEM FOR MONITORING AND EXPORTS OF ORGANIC PRODUCTS FROM INDIA UNDER THE NATIONAL PROGRAMME FOR ORGANIC PRODUCTION (NPOP)

- Implemented the new Yes Bank Payment Gateway for capturing the online fees for Certification Body Accreditation.
- In the INTC module, enhancing monitoring and facilitating action against the INTCs reported by the EU.
- Established a facility for operators suspended or terminated under renewal to shift to another Certification Body.

B. MEAT.NET – TRACEABILITY SYSTEM FOR MONITORING AND EXPORT OF MEAT AND MEAT PRODUCTS FROM INDIA

- Integrated the Meat.Net system with the Quality Council of India i-CAS Halal portal for the issuance of health certificates.
- Linked Meat.Net with the National Digital Learning Mission (NDLM), Department of Animal Husbandry.
- Introduced value-added products in the meat registration and Meat.Net system.

C. HORTINET SYSTEM – TRACEABILITY AND REGISTRATION OF FARMERS FOR MONITORING OF EXPORT OF FRESH FRUITS AND VEGETABLES FROM INDIA TO EU

- Successfully implemented the YES Bank Payment Gateway for capturing the online payment in the GrapeNet system.

D. I-TRACK SYSTEM

- Implemented Yes Bank Payment gateway integration for capturing the online payment for Meat unit and Packhouse registration.
- Integrated the Lab registration module and publishing the same on APEDA website product wise and in the I-track system.
- Developed a new Grievance portal for Laboratories under the I-track module.

E. AGRIEXCHANGE PORTAL

APEDA is revitalizing the AgriXchange portal with a modern template and cutting-edge technologies to create a more dynamic and user-friendly platform, fostering seamless interaction and trade within the agricultural community.

Key achievements during the 2023-24 period include:

- Publishing 245 newsletters, reaching a subscriber base of 53,034.
- Enhancing the portal by incorporating new Millet HS codes and onions, in line with DGCIS guidelines.
- Introducing a dedicated section for Ayush and herbal products.
- Regularly updating data on India's export, import and international production to keep stakeholders informed.

F. INITIATIVE FOR TECHNOLOGY UPGRADING

APEDA is leading a major technology upgrade initiative by transitioning all its applications to .NET Core 7 and the Postgres SQL Database. This strategic upgrade is designed to enhance compatibility, scalability and overall performance across its digital ecosystem.

G. TRACENET SYSTEM AND MOBILE APP DEVELOPMENT

In line with its commitment to innovation, APEDA is pioneering the development of a cutting-edge TraceNet system complemented by a user-friendly mobile application. This system promises real-time tracking and monitoring capabilities, revolutionizing the way agricultural Organic products are traced and managed.

H. CMS-BASED APEDA WEBSITE IN DRUPAL

With a focus on enhancing user experience and accessibility, APEDA is revamping its website using a CMS-based approach in Drupal. This transition promises a more intuitive interface, enriched content delivery and streamlined navigation for stakeholders.

I. IOS VERSION OF APEDA MOBILE APPLICATIONS

Recognizing the growing importance of mobile platforms, APEDA is extending its reach by introducing iOS versions of its mobile applications. This expansion ensures inclusivity and accessibility for a wider audience of users.

Moreover, APEDA is prioritizing the digitization of office files and records through the implementation of e-Office. By embracing digitization, APEDA aims to streamline file management processes, enhance operational efficiency and instill a culture of transparency and accountability within the organization.

This initiative involves the meticulous scanning of all files and documents, paving the way for seamless digital workflows and optimized resource utilization.

J. IMPLEMENTATION OF NICNET

To enhance the network security, APEDA implemented NICNET connectivity through NICS empanelled vendor. NICNET was one of the mandatory requirements for implementation of e-office.

K. IMPLEMENTATION OF NIC SMS AND BULK MAIL SERVICE

APEDA implemented NIC SMS and NIC email services in its various online applications to send communication / updates to registered members and stakeholders.

L. SECURITY AUDIT

- Conducted a comprehensive security audit for all applications and websites hosted on APEDA's NIC server, addressing vulnerabilities raised by the security audit team.
- Ensured compliance with APEDA website security & GIGW standards, including mobile app security audit.

M. PURCHASE OF UPDATED SOFTWARE

APEDA purchased and implemented 'Microsoft Office 365' software licenses in its Head office and all regional offices.

N. ENHANCEMENT OF CLOUD SERVER RESOURCE

APEDA enhanced the server resources in NDC cloud data center for smooth functioning of online applications and hassle-free access of online services by stakeholders.

O. DISCARD OF OLD COMPUTER HARDWARE

APEDA discarded old computer systems to strengthen the IT hardware setup and procured new computer hardware.

P. APEDA'S PRESENCE IN SOCIAL MEDIA

APEDA actively makes use of various social media platforms, a dedicated social media team manages presence and promotion of APEDA's products, events and crucial information in leading platforms such as X, Instagram, YouTube, Threads, Facebook, etc. During 2023-24, we have created Threads profile. Followers and subscribers of APEDA's Social Media handles are given below:

- X- 58,100
- Instagram- 17,500
- YouTube- 3790
- Facebook- 23000
- Threads- 1892

8. HORTICULTURE SECTOR (FRESH FRUITS AND VEGETABLES & FLORICULTURE)

A. TRADE INITIATIVES FOR NEW PRODUCTS

The following flag-offs of fresh fruits and vegetables have been initiated from the country

- Amrapali Mango from Odisha to Dubai on 1st June, 2023
- Pomegranate from Mumbai to USA on 27th June 2023
- Fresh potatoes from Aligarh, Uttar Pradesh to Guyana on 28th August 2023
- First consignment of Banana by sea to Amsterdam on 9th November 2023
- Marigold from Varanasi to Sharjah on 15th November 2023
- Water Chestnut from Varanasi to UAE on 20th November 2023
- Pongal hamper from Tamil Nadu to Abu Dhabi on 5th January, 2024
- GI Tagged Purandar Figs from Maharashtra to Malaysia on 11th January 2024
- The first shipment of pomegranate to USA by sea on 28th February 2024
- Colocasia from Jharkhand to Malaysia on 29th February 2024.
- The first export consignment of fresh pineapple, apple berry and squash from Varanasi to UAE on 5th March 2024
- Fresh turmeric from Purvanchal region to UAE on 5th March 2024.

B. DEVELOPMENT OF SEA PROTOCOLS FOR POTENTIAL PRODUCTS

APEDA in collaboration with research institutes has taken proactive steps in developing sea protocols for the export of fresh produce to distant markets. The strategic development of protocols tailored for sea transport, aim to optimize the export process for potential fruits.

i. Banana

A Sea Protocol for Banana was developed in collaboration with ICAR-CISH, Lucknow and the first trial shipment of bananas was successfully shipped by sea to Netherlands in 24 days.

ii. Pomegranate

With the success of static trial of 60 days of Pomegranate in collaboration with ICAR-National Research Centre for Pomegranate, 1st trial shipment of pomegranates was successfully shipped to USA retaining good quality of the produce.

iii. Mangoes

APEDA in collaboration with ICAR-CISH Lucknow has taken initiative for development of sea protocol for export of Mangoes to long distant markets. India is trying to reach UK, Japan, Russia and other markets by sending multiple varieties of mangoes (Banganapalli, Kesar, Dasher, Chausa) via sea.

iv. Oranges

APEDA in collaboration with ICAR-CCRI has initiated for developing the Sea protocol for export of Oranges to Gulf Countries.

v. Ginger

-APEDA in collaboration with Assam Agricultural University and APEDA registered Member exporters have initiated the development of Sea protocol for export of ginger from North Eastern Region to UK.

C. PRE-CLEARANCE PROGRAMS FOR VARIOUS FRUITS AND VEGETABLES:

- APEDA has signed the Preclearance Cooperator Payment Plan with USDAAPHIS to coordinate for the preclearance programme of Mango and Pomegranate for export to USA for FY 2024, as part of Operational Working Plan between NPPO India and USDAAPHIS.
- Preclearance program for export of mango to USA has been facilitated by APEDA in four irradiation facility plants at Vashi, Nashik, Ahmadabad and Bangalore.
- For boosting exports of mango to South Korea, APEDA facilitated South Korean Inspectors visit at three VHT facilities namely M/S VHT Integrated pack-house Tirupati, M/S Misra Automatics, Dadri and M/S MSAMB Vashi Mumbai for oversight programme.
- APEDA facilitated deputation of Japanese Inspectors for approval of two new VHT facilities for export of mangoes to Japan, in addition to one already approved facility.
- APEDA is coordinating with MoA&FW for the visit of Australian delegation to start export of decrowned pineapple to Australia.
- APEDA had facilitated the visit of delegation from New Zealand for approval of VHT facilities for export of mangoes to New Zealand.
- During the India-Australia bilateral discussion on February 14, 2024; the SOP for export of Pomegranate to Australia has been finalized with the Australian NPPO. The protocol for export of grapes to Australia for in-transit treatment has been mutually agreed with NPPO Australia. The irradiation treatment of Okra for export to Australia was also agreed upon by Australian NPPO.

D. TRADE INITIATIVES FOR EXPORT:

- APEDA has awarded the project to ICAR-CISH Lucknow to develop sea protocol for shipment of mangoes to various destinations. The initiative has been taken by APEDA so that multiple varieties of Indian mangoes can be exported to various destinations.
- APEDA signed an MOU with NIPHM Hyderabad on development of protocol for Hot Water Immersion Treatment (HWIT) of Chillies in May 2023. NIPHM started first trial run on Hot Water Immersion Treatment of Chillies at APEDA registered packhouse on 27th December, 2023.
- APEDA coordinated with DPPQS and participated in organizing Asia and Pacific Plant protection Commission (APPPC) Workshop on Systems Approach for the management of fruit flies on mango scheduled during 19-23 June 2023 in Mumbai.
- APEDA organized few meetings with EXIM Bank for developing an export promotional strategy for products of Ladakh by investing in smarter value chains, improving access to technology and international markets, provision of high-tech infrastructure and biotechnology that can shape and revolutionize the agriculture sector in Ladakh.
- A meeting was held with Central Citrus Research Institute, CCRI, Nagpur on January 2, 2024 regarding organizing a training program on Advanced Production and Post Harvest Technologies for Boosting Citrus Export. In addition, Sea Protocol for oranges was also a part of the discussion.

E. SENSITIZATION AND CAPACITY BUILDING PROGRAMS

- A meeting was held with the exporters of Fresh Vegetables to EU countries regarding the raising concern of increasing rapid alerts of fresh vegetables particularly Okra, Green Chili, Drumsticks and yard long Beans. The discussion pertaining to EU on increasing the control check from 20 to 30 per cent for the commodities were carried out. The exporters were sensitized about the quality requirements of the produce prior to shipment to EU and to follow the mandatory EU requirements.
- A meeting was organized with the pomegranate exporters pertaining to Pomegranate export season 2024 to USA in which officials from NPPO, MSAMB IFC Vashi and NRCP participated. The exporters were sensitized about the details regarding recent trail shipment to US and

the protocols to be followed while exporting pomegranate to USA. It was also informed to the exporters to get their pack-houses registered for export to USA prior to the arrival of the season. In the meeting, the report of static trial was shared by ICAR-NRCP and SOP was shared by NPPO India.

- A meeting was organized with the Fresh Fruits, Vegetables and Cereal exporters pertaining to EUs notification regarding non-approval of Mancozeb in Indian produce. In this regard, trade consultation was held to discuss the impact of this notification and tackling the issue to avoid any serious impediment to trade in EU and UK.
- A meeting was organized with exporters regarding export of mangoes to South Korea during which the issues raised by South Korean inspectors regarding the preclearance program was highlighted. The exporters were sensitized to strictly adhere to the export protocols while shipping the Fresh produce to South Korea to avoid any rejections.

F. BUYER SELLER MEETS (BSM)

- APEDA organized an International Buyer Seller Meet in Srinagar on June 9, 2023 in which 12 importers from different regions participated. The IBSM saw participation from 22 exporters from other states, 30 exporters from Union Territories (UTs) and 30 FPOs. 16 stalls were also exhibited such that each showcased uniqueness, varieties, distinctness and a wider array of products. The overall response of the IBSM had been excellent marked by Buyers and Sellers both. The buyers and sellers are in regular touch to explore more opportunities for business. 3-4 Lakh USD business deals have been negotiated with the sellers of the region. More number of trade enquiries is expected.
- A Buyer Seller meets in Dehradun, which was a first of its kind in the region pertaining to Organic sector was organized on January 12, 2024, in which 20 exporters across the country and 15 importers from Uganda, Lebanon, Belarus, Russia, UAE, Spain and Hong Kong participated. Following the BSM, two shipments of Fresh Fruits and Vegetables were flagged off to UK and Bahrain from Dehradun.
- APEDA organized a Buyer Seller meet for Pomegranates on January 20, 2024 in Jodhpur region of Rajasthan. Top exporters of Pomegranate and Retail Chains, participated in this meet. 2000 MT of pomegranates were sourced from FPOs and other progressive farmers to different destinations across the globe.

G. MANGO PROMOTION PROGRAMME

- APEDA in coordination with the Embassy of India, Bahrain organized a Mango promotion program in Bahrain in June 2023. In the Event 75 varieties of Mangoes from Eastern Region were shipped to Bahrain for promotion.
- In collaboration with Embassy of India, Moscow a mango promotion programme was organized in Russia from 7th-9th July 2023. In the event, Eastern and Northern varieties of mangoes were exhibited for tasting and gifting purpose to advance mango exports to Russia.
- In collaboration with Embassy of India, Kabul a mango promotion programme was organized in Kabul in June 2023. Different varieties of mangoes were supplied to Kabul for showcasing Indian mangoes during the event, which received an overwhelming response.
- APEDA organized a Mango Promotion Programme and a Buyer Seller Meet inviting major suppliers of mangoes in Kuwait in April 2023.
- APEDA in association with Embassy of India, Brussels organized Mango Tasting Event for the purpose of tasting of Indian Mangoes in June 2023.
- APEDA facilitated CGI, San Francisco with Export of Banganapalli Mangoes from India in July 2023.

- APEDA in collaboration with the High Commission of India, Kuala Lumpur organized a Mango Promotion Programme in Malaysia in May 2023, wherein Kesar and Banganapalli varieties of mangoes were showcased.
- Mango Promotion Programme was organized in Seoul, South Korea to promote Indian Mangoes in May- June 2023.

H. MARKET ACCESS GAINED

APEDA achieved success in market access for pomegranate arils to New Zealand.

I. PARTICIPATION DOMESTIC/INTERNATIONAL EVENT

Participated in 'Seoul Food & Hotel Exhibition 2023' held in Seoul from 30 May 2023- 2nd June 2023 where mangoes were displayed for promotion at APEDA stall.

- Participated in 'Fresh India Show 2023' held on 09th June-10th June 2023 at New Delhi to interact with exporters and enhance exports.
- Participated in AGRA fair, Slovenia 26th August- 31st August, 2023, with the exporters; the fair provided platform for promoting international cooperation, exchanging ideas and developing new business opportunities.
- Participated in World Food India 2023, 3 – 5th November 2023 showcasing agricultural and processed food products, including tea, coffee, and spices, featuring contributions from prominent exporters, startups, women entrepreneurs, FPO/FPCs, government bodies, and corporates. Exhibitors from 28 states and UTs, encompassing North East, Himalayan regions, J&K.
- Participated in 'SIAL INDIA 2023', 5th-7th Dec 2023, the fair provided platform for promoting international cooperation, exchanging ideas and developing new business opportunities.
- APEDA exhibited the Fresh Fruit and Vegetable pavilion in INDUS Food 2024 for the first time to showcase the strengths of Horticulture Sector in our country, in addition to exhibiting the Organic, Processed Food and Start-up Pavilion. The event was held during January 8-10, 2024 in which five Startups were given free table space in FFV Pavilion to display the fresh produce from different regions.
- Participated in 38th Edition of 'Aahar, 2024' - The International Food And Hospitality Fair organized from 7th-11th March 2024 at Pragati Maidan, New Delhi. Around 120 exporters of different segments are participated.

J. RESEARCH, DEVELOPMENT AND IN-PRINCIPAL APPROVAL FOR ASSISTANCE AND TRADE FACILITATION ISSUED

APEDA provided financial assistance to various organizations and research institutes for organizing various seminars, workshops and conferences in different regions of the country to facilitate the Export Trade. Financial assistance has been provided to below mentioned stakeholders-

- **Training Program for Mango and Potato Exports:** Organized a training program for HOFED, Uttar Pradesh, focused on pre- and post-harvest operations to enhance export quality of mangoes and potatoes.
- **Promotion of GI-Certified Solapur Pomegranate:** Assisted in organizing a one-day state-level program at Pandharpur in the first week of March 2023 to promote GI-certified Solapur Pomegranates.
- **Asian Citrus Congress 2023:** Sponsored the **Asian Citrus Congress 2023** held in Mumbai, themed "*Advancing Citriculture for Agro-economic Prosperity.*"
- **National Conference on Floriculture Trends:** Issued IPA for organizing a National Conference on "*Recent Trends and Future Prospects of Floriculture in India*" held from January 9–11, 2024, at ICAR-IIHR, Bengaluru.

- **Advanced Training Program in Post-Harvest Innovations:** Participated in a seven-day advanced training program on *“Recent Innovations in Post-Harvest Handling, Preservation, and Protection of Agricultural and Horticultural Produce for Entrepreneurship Development”* organized by SKUAST-Kashmir.
- **Seminar on Exotic and Underutilized Horticultural Crops:** Provided financial assistance for organizing an international seminar on exotic and underutilized horticultural crops at ICAR-IIHR, Bengaluru.
- **Potato Summit in Kannauj, Uttar Pradesh:** Extended financial assistance for organizing the Potato Summit in Kannauj, UP.
- **Agri-Food Export Conference & Exhibition:** Supported the organization of a conference and exhibition on agriculture, horticulture, organic farming, irrigation, insurance and food exports held on August 17, 2023, at NSE’s Dr. R. H. Patil Auditorium, Mumbai.
- **Saffron Festival in Jammu & Kashmir:** Organized the **Saffron Festival** to honor the heritage crop of Jammu & Kashmir, held from October 30–31, 2023.
- **Indian Horticulture Summit 2023:** Organized the 3rd **Indian Horticulture Summit cum International Conference** on *“Technological Interventions for Boosting Horticultural Production”* from February 1–3, 2023.
- **International Cashew Day Celebration:** Organized a one-day event celebrating *International Cashew Day* on November 23, 2023, at North Eastern Hill University, Tura Campus, Meghalaya.
- **National Horticulture Fair 2024:** Organized the **National Horticulture Fair 2024** at ICAR-IIHR, Bengaluru, scheduled from March 5–7, 2024.
- **Pomegranate Buyer-Seller Meet:** Planned a Buyer-Seller Meet in January 2024 for FPOs and progressive farmers in Jodhpur to promote pomegranate exports.
- **Reverse Buyer-Seller Meet:** Organized a Reverse Buyer-Seller Meet for fruits, vegetables, frozen food and beverages during the **6th Fresh India Show 2024** on March 1–2 at Sahyadri Farms, Nashik, Maharashtra.
- **Mango Buyer-Seller Meets in Andhra Pradesh:** Coordinated four Buyer-Seller Meets for mangoes in Chittoor, Vijayawada, Vizianagaram, and Tirupati.
- **5th Fresh India Show 2023:** Organized the **5th Fresh India Show 2023** on June 9–10, 2023, at Hotel Pride Plaza, Aerocity, New Delhi.

K. PACK HOUSE RECOGNITION AND TRACEABILITY PORTAL

- Thirty-one pack houses were awarded Packhouse Recognition certificates since April 2023-March 2024.
- APEDA has approved 32 Grape pack houses and its orchards and also added list of 20 new pack houses and its orchards for approval by GACC for the season 2024 to China. GACC has approved 52 pack houses and orchards for the season 2024 for exports of grapes from India to China.
- For enhancing the trade and export statistics of fruits and vegetables, baby corn variety has been added in HortiNet Portal.

9. PROCESSED & OTHER PROCESSED FOOD SECTOR

APEDA's persistent efforts resulted in Cashew being designated as an APEDA scheduled product. This prompted a series of stakeholder meetings to address challenges and enhance cashew exports. Furthermore, stakeholders are being engaged in discussions regarding the promotion of cashew exports. Additionally, National Cashew Day was observed across all regional offices on November 23, 2024 during the events, three flag off of cashew were organized as follows:

- Odisha** : First time Export of Cashew from Orissa to Bangladesh by Road (**2 MT**)
- Chennai** : Export of cashew from Chennai to Qatar by Sea shipment (**15 MT**)
Export of Cashew from Chennai to Malaysia by Sea shipment (**15.87 MT**)
- Kerala** : Export of Cashew from Kollam, Kerala to USA by Air (**1.5 MT**)

Additionally, capacity building programmes were also organized during the event.

1. APEDA, a key facilitator and promoter of agricultural and processed food exports, participated in the 79th Annual Conference and National Seminar of AIFPA on 'Mission 2030: India, a Global Leader for Value-Added Foods'. Chairman APEDA discussed the potential of value-added foods from India to become a global leader by 2030. The seminar provided a platform for industry experts, regulatory bodies, scientists, academicians, and start-ups to exchange ideas and collaborate, identifying and capitalizing on the untapped potential of value-added food products.
2. APEDA organized a flag off ceremony of Jackfruit on June 22, 2023, at Kochi Port wherein M/s. Wakao Foods sent a full container of their nine different types of jackfruit products to the USA from Bangalore, marking the first time of plant-based products from India. The shipment was flagged off at a ceremony on June 22, 2023, at Kochi Port. This event promoted the plant-based movement in India and contributed to the Make-in-India initiative.
3. A Virtual Meeting was held in between APEDA and stakeholder on Dehydrated Onion and Garlic on 26th September 2023 to discuss issues and challenges.
4. APEDA held a virtual meeting with Cucumber and Gherkins stakeholders on April 19, 2024, to discuss strategies and issues aimed at enhancing India's cucumber and gherkins exports.
5. A Request for Proposal (RFP) has been prepared for an agency to prepare a report on market assessment of value-added Agri products and interventions for export growth.
6. Processed Food Division has received 262 GACC applications from processed food products exporters for GACC registration during April, 2023 to March, 2024. These were examined and recommended to GACC for registration and approval with GACC-China.
7. APEDA received 36 Rapid Alerts from EU countries during April 2023 to March, 2024 due to detection of pesticides or mycotoxins (Aflatoxin) in the Ground nuts and other Processed Food consignment exported to EU. These Rapid Alerts were examined and clarifications were sought from the exporters and accordingly the action taken has been finalized.
8. APEDA received 23 Non-Compliance from various countries like Indonesia, Thailand, Vietnam, Singapore and Philippines for the year 2023 due to detection of pesticides or mycotoxins (Aflatoxin) in the Ground nuts and other Processed Food consignment exported. This Non-Compliance was examined and clarifications were sought from the exporters accordingly, the action taken has been finalized.
9. APEDA currently has 176 active Peanut units, with 136 dedicated to shelling and grading. These units are pivotal in processing peanuts to meet export standards. APEDA's oversight ensures quality control, enhancing the reputation of Indian peanut products globally
10. APEDA issued 34884 certificates of export (COE) in FY 2023-24 for peanuts, with a total authorized quantity of 693763.267 MT of peanuts approved for export from India.

10. LIVESTOCK SECTOR

India's export of Animal products in 2023-24 (April-March) was to the tune of USD 4127.15 Million. The major products baskets are Buffalo Meat, Sheep/Goat meat, other meat, Poultry Products, Dairy Products, Animal Casing, Processed Meat, Casein Albumin, Eggs & Milk and Natural Honey.

MAJOR PRODUCTS WITH THEIR EXPORTS MARKET DESTINATIONS:

- 1.1. **Buffalo Meat:** India is one of the top exporters of buffalo meat in the world and has exported 1295603.15 MT of buffalo meat to the world worth of USD 3,740.53 Million during the year 2023-24 (April-March). The major export destinations of buffalo meat of India, in 2023-24 are Vietnam, Egypt, Malaysia, Indonesia and Iraq.
- 1.2. **Dairy Products:** India's Exports of Dairy products was 63738.48 MT to the world to the tune of USD 272.64 Million during the year 2023-24. Major Export Destinations 2023-24 are UAE, Saudi Arab, USA, Bhutan and Singapore.
- 1.3. **Natural Honey:** India's Exports of Honey products was 107963.21 MT to the world to the tune of USD 177.52 Million during the year 2023-24. Major Export Destinations 2023-24 are USA, UAE, Saudi Arab, Qatar and Libya.
- 1.4. **Poultry Products:** India's Exports of Dairy products was 1275234.90 to the world to the tune of USD 184.58 Million during the year 2023-24. Major Export Destinations 2023-24 are Oman, Sri Lanka, Maldives, UAE and Qatar.
- 1.5. APEDA has recognized 69 integrated abattoirs cum meat processing plants, 13 meat processing plants and 5 stand-alone slaughter houses as on 31st March 2024.
- 1.6. In order to facilitate export of dairy products from India to Russia, Federal Service for Veterinary and Phytosanitary Surveillance (FSVPS), Russia approved two dairy establishments i.e., M/s Schieber Dynamix Dairies Ltd and M/s Parag Foods Pvt. Ltd. since 17th April, 2023.
- 1.7. To tap the advantage of the opportunity for export of table eggs to Sri Lanka APEDA in association with Dept. of Animal Husbandry & Dairying facilitated poultry exporters to send eggs from India to Sri Lanka. Initially Sri Lankan side accepted the eggs only from HPAI free compartments but after deliberations they started importing eggs from other poultry establishment having stringent bio-security measures in place. During period (20-03-2023 to 07-02-2024), 175.86 million numbers of table eggs have been exported to Sri Lanka of net value of 105.51 Crores
- 1.8. A delegation from Department of Veterinary Service (DVS), Malaysia visited India from 29th April, 2023 to 13th May, 2023 for inspection of meat processing establishments in India for export of frozen buffalo meat and offals to Malaysia. With the support and facilitation of APEDA, Malaysian delegation visited 16 meat processing plants out of which approval has been granted for 10 meat processing units for exporting meat and offals.

1.9. Iran Veterinary Organization (IVO) vide its letter dated 20th November, 2023 approved eight Indian meat establishments for export of Frozen Bovine Meat to Iran for Human consumption.

1.10. Indian Conformity Assessment (i-CAS) for Halal Products: For streamlining of Halal Certification Process for Meat and Meat Products and to bring it under the regulatory framework, APEDA with National Accreditation Board for Certification Bodies (NABCB) developed the India Conformity Assessment (i-CAS) Halal scheme. The scheme has been developed in accordance with international standards (ISO) so that the certification under the scheme is harmonized with international requirements and practices and allowing it to be benchmarked with other reputed global schemes. The guidelines cover the procedure for accreditation of Halal Certification Bodies (CBs), Certification of Halal operators and export of Halal products.

The scheme has been notified by the Government of India on 6th April 2023 vide DGFT Notification No.03/2023, and thereby introducing a standardized Halal certification for exports of meat and meat products from the country. The time period for accreditation has further extended for a period of three months, i.e. till 04th July, 2024 by DGFT Notification No. 08/2023 dated 23rd April, 2024.

As on date, four Certification Bodies who have been already operating in the country as per importing countries Halal Regulations have been accredited by NABCB under i-CAS enabling certification activities in the country. The accreditation of four more Certification Bodies is under process by following the laid down criteria and requirements.

For G2G agreements for recognizing i-CAS Halal and acceptance of halal certification under i-CAS Halal in other countries, APEDA has conducted meeting with major Indian Halal products importing countries namely Saudi Arabia, Indonesia, Oman, UAE, Iran and Egypt and continuously following up with the concerned authorities in respective countries in association with Indian Missions & Territorial Division of Department of Commerce. A draft Mutual Recognition Agreement (MRA) has also been shared with Department of Commerce and respective countries.

1.11 Imposition of MEP on export of Honey from India: With reference to the representation received from Honey Exporters Association of India comprising of leading exporters of Honey and Beekeepers Associations for fixation of Minimum Export price (MEP) on export of Honey, APEDA after due consultation with Honey exporters, Bee Keepers Association, DGTR sent a proposal for imposition of MEP on export of Honey from India. After due consultation by Department of Commerce with all the stakeholders i.e., Honey exporters, National Bee Board, DGFT, DGTR & Bee Keepers Associations. DGFT vide notification no 72/2023 dated 14th March, 2024 imposed Minimum Export Price (MEP) of USD 2000 per Metric Ton (PMT, till 31st December, 2024 or until further orders, whichever, is earlier) on export of Natural Honey under ITC HS code 04090000 of Schedule 2 of ITC (HS) Export Policy, 2023).

11. CEREALS SECTOR

A. **APEDA'S INITIATIVES IN THE INTERNATIONAL YEAR OF MILLETS 2023 FOR EXPORT PROMOTION OF MILLETS AND ITS VALUE-ADDED PRODUCTS IN THE GLOBAL MARKET.**

India spearheaded the G-20 theme of 'Recover Together, Recover Stronger' in International Year of Millets (IYoM) 2023 with a pledge to make this world healthier through nutritional millets. Shree Anna/Millet's Rich in Heritage-Full of Potential achieved six Sustainable Development Goal (SDG) of UN which includes SDG No. 2- Zero Hunger, SDG No. 3- Good Health and Wellness, SDG No. 8-Decent work and economic growth, SDG No. 12-Responsible consumption and production, SDG No. 13-Climate Action and SDG No. 15-Life on Land.

B. **EXPORT PROMOTION OF MILLETS IN INTERNATIONAL EXHIBITIONS IN THE YEAR 2023:**

APEDA Organized participation in more than 19 international trade fairs like BIOFACH Germany, Gulfood Dubai, Natural Products Expo West USA, International Food and Drink (IFE) and BSM UK, SIAL Food Canada, Seoul Food & Hotel, Korea, Big Seven, South Africa, Summer fancy USA, Food And Hotel Show, Indonesia etc. and promoted Value Added Products in global markets, enabled exporters to interact directly with buyers and negotiate business as well as learn international standards and quality requirements of importing countries.

C. **SIGNING OF MOU FOR EXPORT PROMOTION OF MILLETS IN GCC SOUTH EAST COUNTRIES AND EGYPT:**

An MOU was signed with Lulu Group International during Gulfood 2024 for promotion of Millets products in their 247 supermarkets and 25 Malls in GCC, South East countries and Egypt.

D. **APEDA IN ASSOCIATION WITH INDIAN EMBASSIES PROMOTED MILLETS AND ITS VALUE-ADDED PRODUCTS DURING VARIOUS EVENTS:**

As a part of International Year of Millet Celebrations, APEDA associated with "Indian Missions abroad" in importing courtiers to promote millets and value-added products. Millet's products were sourced from various Start-ups and was sent to more than 25 Embassies of India in various countries like Doha, Qatar, Italy, Uzbekistan, Bahrain, Malaysia, Russia, Tokyo, Indonesia, Republic of Korea Saudi Arabia, Perth, Denmark, Argentina, Egypt, Taiwan, Switzerland, Russia, South Africa, Beijing, Vietnam, Canada, Guatemala, Algeria and China for promotion during the Republic Day celebrations and also for promotion of Indian Millet during the celebration of IYOM 2023. Leading importers/departmental store/Super market/hyper market chain were roped in through the Embassy of India to promote millets and food sampling and tasting campaigns.

E. **EXPORT PROMOTION OF MILLETS IN WORLD FOOD INDIA 2023:**

APEDA organized 2nd edition of World Food India-2023 during 3rd November to 5th November, 2023 at Pragati Maidan, New Delhi. More than 200 exhibitors from 28 states and UTs participated. Prominent exporters, food processing industries, Start-ups, Women entrepreneurs, FPOs/ FPCs and corporate house exhibited their produce focused on export promotion. Around 30 women entrepreneurs/FPO/start-ups of Millet and its value-added products were promoted during WFI-2023. Over 1000 international buyers visited from more than 80 countries covering EU, USA, GCC, Africa, South-East Asia and Australian region for participation in the WFI 2023. The RBSPMs were organized in a specially designed lounge with the meeting capacity of around 80 buyers and sellers together. The meetings were organized in 10 sessions during 3 days.

F. MILLET & ITS VALUE-ADDED PRODUCTS EXPERIENCE ZONES

In a move aimed at giving a major boost to the export of millets and products in the wake of India's Presidency for conducting G20 TWIG Conferences, APEDA has decided to create millet value added products experience zones in the four conferences at Bangalore, Mumbai, Kevadia and Jaipur in association with Tea Board, Coffee Board and Spice Board.

APEDA participated in the 2nd Agriculture Deputies Meeting of G20 countries held in Chandigarh. As part of the preparations for IYOM 2023, a stall was set up to showcase value-added innovative products made from millets that are easy to cook, eat, and serve. The stall received visits from delegates of several countries including Russia, Saudi Arabia, African countries, Netherlands, USA, United Kingdom, France, Canada, Oman, Australia and Bangladesh. The visitors enjoyed the millet-based ice cream and millet milk served at the stall.

APEDA organized more than 25 awareness/ sensitization/ capacity building training programs in various states for FPOs/FPCs/Start-ups Exporters/Women entrepreneur/Progressive farmers during International Year of Millets in association with Department of Agriculture, State Agriculture Universities, Regional DGFT, NCD, NCCF, ICAR, IIMR, FPOs/ FPCs, Startups and MSMEs. Around 200 start-ups have started producing value added products of Millets and around 50 of them have started exporting. Exports of millets from India include mainly whole grain and the export of value-added products of millets from India is negligible. The government is also mobilizing start-ups for export promotion of value-added products in the Ready-to-Eat (RTE) and Ready-to-Serve (RTS) category such as flour, noodles, pasta, flakes, pan cakes, ready to eat breakfast cereals mix, biscuits, cookies, snacks, sweets, ready to cook mixes like dosa, idly, khichri, daliya etc.

Various new start-ups of Millet based products were promoted during AAHAR 2024 trade event organized in Pragati Maidan, New Delhi in March 2024 and Biofach 2023 organized in India Expo Centre, Greater Noida in September 2023.

G. MILLET SPECIFIC WEB PORTAL:

A separate Millet specific web portal has been developed containing information about Millets, health benefits, production and export statistics and millet exporters directory the portal was launched by the Hon'ble Minister of Commerce and Industry.

H. FLAG OFFS:

- APEDA in association with Office of the DGFT, organized a Flag Off ceremony of the export of first consignment of value-added Millet Products from Bangalore to Australia facilitating export of value-added millet products to Australia under the India Austria Economic Cooperation Trade Agreement (ECTA).
- The first consignment of Millet milk has been exported from India to Nepal.
- APEDA had also taken initiatives in identifying new markets and promoting the exports of millet products from non-traditional areas like millet flour was exported from Bhubaneswar to Dubai which was sourced from all Woman FPO.

I. SETTING UP OF MILLET GALLERIES:

Millet Galleries were set up in APEDA Regional Offices to showcase the export potential of millet products. Various new startups of Millets based products were promoted during AAHAR 2022/2023 trade event organized in Pragati Maidan, New Delhi in April 2022/2023 and Biofach 2023 organized in India Expo Centre, Greater Noida in September 2023.

J. MILLET PROMOTION IN WTO, GENEVA, SWITZERLAND:

APEDA participated in millet exhibition during public forum, at WTO, Geneva, Switzerland on 14th September 2023, Millet VAP was showcased and facilitated to the Ambassador and counter parts of other countries and other international delegates at the WTO atrium.

K. APEDA HAD AWARDED A PROJECT TO ICAR-IIMR FOR “REFINEMENT OF MILLET VALUE CHAIN FOR EXPORT MARKETS.”

APEDA in association with IIMR identified start-ups for export market and facilitated about 20 start-ups for registration towards APEDA registration. Start-ups were facilitated for participation in International Trade Fairs for promotion of their products in the global market. Identified major millet growing areas in India and collected 110 millet cultivars from 15 major millet growing areas for export promotion by APEDA in association with IIMR, All India coordinated research projects (AICRP) and State Agricultural Universities. In vitro protein digestibility and antioxidant activity of superior cultivars was part of this programme. In this project, 10 novel technologies were developed for export markets and functional and nutraceutical products for eradicating various conditions like high glycaemic index, overweight, underweight, high blood pressure, hyperlipidaemia, hypocalcaemia, anaemia, and cancer viz., pan cake mix, milli-bix, dhokla mix, barnyard millet shake mix, little millet choccos, sorghum noodles, vermicelli anti diabetic mix, weaning mix, health mix, functional flour, pasta, porridge mix, etc. Also, optimized the plant-based milk and ice cream from the sorghum.

Around 200 start-ups have started producing Value added products of Millets and around 20 of them have started exporting. Exports of millets from India include mainly whole grain and the export of value-added products of millets from India is negligible. The government is also mobilizing start-ups for export promotion of value-added products in the Ready-to-Eat (RTE) and Ready-to-Serve (RTS) category such as flour, noodles, pasta, flakes, pan cakes, ready to eat breakfast cereals mix, biscuits, cookies, snacks, sweets, ready to cook mixes like dosa, idly, khichri, daliya, etc.

APEDA facilitated participation of exporters, FPOs/FPCs, traders in various international events by organizing Buyer-Seller Meets in more than 19 International Trade Fairs. Startups and MSMEs were given a unique platform to showcase their diverse millet products, with a particular emphasis on Indian millets.

Additionally, in the year 2023-24, APEDA has organized 10 VBSM, 20 capacity building programs, participated in 4 international and 3 national events, participated in 7 state millet mission programs, conducted 2 FPO meets, 2 flag off ceremonies.

L. REGISTRATIONS-CUM-ALLOCATION CERTIFICATES (RCAC)

DGFT has issued Public Notice No. 36/2015-2020 dated 16th November 2022 (October 2022-September 2023) regarding allocation of 5841 MT of Raw/Refined Sugar to EU under TRQ by APEDA. A trade Notice was hosted at APEDA website for inviting the applications. The quota was allocated to three exporters for export of sugar to EU under TRQ.

DGFT has issued Public Notice No. 36/2015-2020 dated 16th November 2022 (October 2022-September 2023) regarding allocation of 8606 MTRV of Raw Cane Sugar to USA under TRQ by APEDA. A trade Notice was hosted at APEDA website for inviting the applications. The quota was allocated to five exporters for export of sugar to USA under TRQ.

M. IMPORT OF SUGAR 2023-24

Issued No of RCAC	107
Total Qty. (MTs)	2480185

N. GACC (GENERAL ADMINISTRATION OF CUSTOM OF PEOPLE OF CHINA)

A Meeting was organized by FT (NEA) Division, department of Commerce, regarding regulatory requirements for registration in CIPHER system of GACC, Chins and Compliances for registration with dept. of plant and animal Quarantine China. The meeting was attended and discusses issues with respect to GACC registration.

Cereal Division received 94 applications till now for GACC registration out of which 20 GACC applications from Rice exporters during year 2023-24. These were examined and recommended for registration with GACC-China for approval. Out of the 20 applications 19 application are approved by GACC China. The remaining GACC applications are under process at custom of China for scrutinizing and approval.

O. BEDF (BASMATI EXPORT DEVELOPMENT FOUNDATION)

Basmati Export Development Foundation organized 53 workshops/ on farm trainings and other extension programmes on “production of Pesticide Residue Free Basmati for export” in Punjab, Haryana, Western Uttar Pradesh, Uttarakhand and Jammu & Kashmir UT during 2023-24. About ten thousand beneficiaries were benefited about Basmati Production and export.

Two MoUs between FPOs of Bulandshahr and Shamli districts of UP and Export houses formulated through BEDF for promotion of export by FPOs. One consignment of Basmati rice exported to Lebanon by Organic Farmer Producer Company Ltd (FPO), Meerut with the support of BEDF.

About 1300 quintals best quality authentic seeds of different Basmati varieties distributed to Basmati growers/ seed multipliers including 1274 farmers, 15 FPOs, 73 Private companies and Export Houses and 20 Krishi Vigyan Kendras of different State Agriculture Universities & government agencies for seed multiplication and production of best quality Basmati paddy.

12. ORGANIC SECTOR

A. NATIONAL PROGRAMME FOR ORGANIC PRODUCTION (NPOP)

The National Programme for Organic Production (NPOP) is being implemented by the Ministry of Commerce & Industry, Govt. of India for exports under the Foreign Trade Development Regulations (FTDR) Act since 2001. The aim of NPOP include policies for development and certification of organic products, national standards for organic products, accreditation of certification bodies and certification of organic products in conformity to the national standards.

Organic farming in India has grown at a steady pace after the implementation of NPOP in 2001 by the Ministry of Commerce and Industry. Today Indian organic products are being exported to worldwide destinations.

B. EXPORT OF ORGANIC PRODUCTS UNDER NPOP

India exported 2,61,029 MT of organic products during 2023-24 for a value of Rs 4007.91 Crore (494.80 Million USD) to more than 50 destinations. The major export destinations included U.S.A, European Union, Canada, Great Britain, Sri Lanka, Switzerland, Vietnam, etc.

The major products exported are Soyabean, Basmati Rice, Tea, Pulses, Spices, Flax seeds and Processed Foods (Mango pulp and Soyabean meal).

C. ACCREDITATION ACTIVITIES

APEDA is functioning as Secretariat for implementation of the National Programme for Organic Production (NPOP) complying with ISO-17011 requirements. Following are the accreditation related activities during the period:

- As per the accreditation procedure outlined in NPOP, accreditation has been granted to 4 Certification Bodies by the National Accreditation Body (NAB).
- There were a total of 32 active Certification Bodies as on 31.03.2024.
- Due to irregularity in certification processes, sanctions were imposed on few Certification bodies by the NAB Sub-committee including suspension of two Certification Bodies.
- During 2023-24, accreditation of two Certification Bodies was reinstated by the National Accreditation Body (NAB) and accreditation of one Certification Body was withdrawn.

D. TRAINING AND CAPACITY BUILDING PROGRAMMES

- Training Programme for the Evaluation Committee members were organized from 27th-28th June 2023 at New Delhi. The training covered the NPOP standards, audit and assessment procedures, verification of requirements and compliance under NPOP, assessment of ICS, observations of the EU onsite audit 2022 and verification of compliance under the recognition agreement with EU etc.
- Training programme for the certification bodies inspectors and reviewers was organized from 21st-22nd December 2023 at New Delhi. The training focused on the NPOP standards and verification requirements, inspection and certification procedures including risk assessment, verification of grower group requirements, Mass balance and traceability, Observations of EU Onsite Audit and Compliance required by the Certification Bodies etc.

E. CONSULTATIVE MEETINGS

- Consultative Meetings with the Accredited Certification bodies under NPOP was carried out on 26th May 2023 on the observations of the EU onsite audit.
- APEDA organized a Stakeholders Consultation on exports of organic products at New Delhi on 29th December, 2023.
- A meeting was organized on 10th January, 2024 with organic Soyabean exporters and Certification Bodies on the issues faced by them in exports.
- A meeting of the Certification Bodies under NPOP was held on 4th April, 2024 to discuss various issues regarding India's organic export eco system.

F. EFFORTS FOR EXPANSION TO NEW MARKETS

- For expansion of organic exports to new markets, India is pursuing Mutual Recognition Agreement (MRA) for organic products with importing countries such as South Korea and Japan etc.
- Negotiations in process for finalizing the notification to commence exports under the MRA with Taiwan.
- Efforts are also being made to initiate negotiations with EU for bilateral trade in organic products.

13 QUALITY DEVELOPMENT

A. FOOD TESTING LABORATORIES

- APEDA has recognized 144 food testing laboratories under General List which are ISO-17025 accredited by the NABL for sampling and analysis of its scheduled products;
- The recognized laboratories are further recognized for specific products based on the specific parameters desired for export. There are 43 laboratories recognized by APEDA for sampling and analysis of grapes to EU. There are 28 laboratories recognized by APEDA for sampling and analysis of peanut for export to all countries including European Union, Malaysia, Russian Federation and Singapore. There are 56 laboratories recognized by APEDA for sampling and analysis of cereals.
- There are 24 laboratories recognized by APQA Indonesia for sampling and analysis of agri products to Indonesia.
- APEDA has been granting assistance to National Referral Laboratory (NRL) at NRC Grapes Pune for upgradation of NRL in order to monitor the export of plant origins products such as Fresh Fruits and Vegetables, Peanuts, Organic Products etc.
- Five in house quality control labs set up at the manufacturing units of exporters and one authorized laboratory for sampling and analysis of food products for export certification were upgraded providing financial assistance under scheme for quality development.

B. ONLINE MONITORING OF PESTICIDES AND AFLATOXINS

- The Procedure for export of Grapes for control of residues of agrochemicals was revised for implementation to ensure importing country's requirements based on consultation with stakeholders and the MRL set by EU.
- The Peanut traceability system was aligned with the existing aflatoxin monitoring system based on the laboratory ecosystem.

C. MONITORING OF ALERTS AND COMPLAINTS FROM IMPORTING COUNTRIES

- In order to establish corrective and preventive measures to ensure continued market access for APEDA scheduled products, a process of monitoring rapid alerts, rejections, complaints due to food safety non-compliances has been established with corrective and preventive action to be introduced by the food business operators. Sensitization of the concerned officials involved in dissemination of information and obtaining feedback from the concerned stakeholders as well as exporters, laboratories and Certification Bodies is carried out on regular basis with updation on importing country's requirements. Moreover, APEDA has initiated integration of preventive action arising from the rejection and findings and observations of the visiting delegations to strengthen its monitoring mechanism to ensure continued market access of products under its mandate
- Quality division monitored export detections/ rejections, rapid alerts, complaints and non-compliances from different countries like Indonesia, the Philippines, Thailand, Singapore etc. pertaining to various sectors like Cereals, Organic, Fresh Fruits and Vegetables, Processed foods and provided technical assessment to minimize export rejections and rapid alerts. 50.53 % reduction in non-conformities has been observed in 2023 in comparison to 2022.

D. BENCHMARKING OF IND GAP WITH GLOBAL GAP

- Implementation of Good Agricultural Practices (GAP) during primary production is pre requisite for ensuring food safety management system and traceability for establishing corrective action in the event of any possible contamination due to residues of agrochemicals, pesticides and other

contaminants. The importing countries insist on compliance with GAP, Farm Labour welfare, protection to environment and animal welfare measures before allowing import of agricultural and food products. In 2023, benchmarking of IndGAP has been achieved for Global GAP for fresh fruits and vegetables.

E. NOTIFICATION AND IMPLEMENTATION OF i-CAS HALAL

- The DGFT has issued the notification on implementation of i-CAS Halal (jointly by APEDA and NABCB) for export from the country and first consignment was flagged in July, 2023.

F. CONTRIBUTION IN CODEX MEETINGS AND STANDARD SETTING

- During the Codex Committee on Contaminants in Foods (CCCCF) held its 16th Session in Utrecht, the Netherlands in April 2023, APEDA presented proposal on "Setting up of Maximum Level of Total Aflatoxin in Ready to Eat Peanut and Associated Sampling Plan". The proposal was agreed after deliberations among the member countries and adopted by Committee to be taken up by India as Chair of the Electronic Working Group (EWG). APEDA is also in the process of developing standard for Fresh Curry leaves.

G. REVIEW OF WTO NOTIFICATIONS

- WTO Notifications are reviewed on regular basis related to the Regulations/Standards proposed by the member countries on the permissible levels of residues, mycotoxins, and other contaminants in food for import in the respective country. The notifications wherein the levels are revised by the importing countries are informed to the concerned division for dissemination of information to the exporters. The Notifications wherein the export from India if found to be affected is taken up with SPS Division at DoC.

H. INITIATIVES TO ENHANCE LABORATORY ECOSYSTEM FOR TESTING OF ORGANIC PRODUCTS

- Coordinated with ICAR-NRCG Grapes for conducting three Proficiency Testing (PT) Programmes to enhance the number of laboratories for testing of organic products in the country.
- PT programme is conducted annually. However, a need was felt to strengthen the laboratory eco system for testing of organic products. Therefore, NRL of APEDA has conducted three PT programmes in June 2023, September 2023 and January 2024 respectively. A total of 75, 69 and 42 laboratory applications were received by NRL for 1st, 2nd and 3rd PT respectively.
- Based on 1st PT and 2nd PT, NRL identified potential laboratories which could be upgraded to organic testing. Hence a two-day hands-on training programme on pesticide residue analysis for specific analysts was conducted in December 2023.
- Subsequently, the number of laboratories for Organic Testing has increased from 38 in June 2023 to 82 as on 21st November 2024.

I. CAPACITY BUILDING PROGRAMMES AND TRAININGS

- APEDA organized meeting with groundnut stakeholders vide dated 23rd January 2024 to understand their quality issues pertaining to Aflatoxin detection exceeding ML in importing countries.
- APEDA organized meeting with Soybean exporters, NPOP Certification Bodies and Laboratories on 29th December 2023 to address the issues related to laboratory testing of organic products to understand their issues and reasons for detection of pesticide residue in organic products at the importing country(ies).

- APEDA organized a meeting with stakeholders for strengthening of supply chain and risk mitigation in export of Peanut and Peanut Products on 15th February 2024.
- APEDA organized training programme and sensitization of stakeholders to disseminate the knowledge of export procedures and requirements of importing countries to minimize export rejections. To ensure the compliance to regulatory requirements and reduce import refusals, Knowledge Exchange sessions have been organized jointly with Embassy of India, Washington focusing on Cereals & Millets for export to USA.
- APEDA jointly with Consulate General of India, Sao Paulo has organized a webinar on 17th August 2023 on "Why and How to do business with Brazil". The webinar focused on the agrarian background of Brazil, current food import trends and opportunities for Indian agri industry to trade with Brazil.
- In association with Consulate General of India Toronto, APEDA organized a training webinar on Canadian & U.S Regulations for Food and Beverage Products Export from India on 31st August 2023. The webinar focused on the regulatory requirements for export to Canada, the recent updates on SFCA and US FDA, registration and licensing, traceability records, import refusal, product recall etc.
- A Knowledge Session has been organized on 17th October 2023 to educate the exporters on the regulatory requirements for export to USA and Canada. During the session, the USFDA and CFIA requirements, the data on refusals, category of refusals, corrective and preventive measures to be adopted as per the new preventive policy, measures to address the non-compliances due to contaminants and misbranding etc. were explained to the exporters.
- In association with High Commission of Canada, APEDA organized a Webinar on 22nd November 2023 on Procedure for Investigation and Product Recall in processed foods.
- APEDA regularly participates in EU-Better Training for Safer Food trainings to leverage convergence of existing capacity into higher level for ensuring food safety and quality requirements of importing countries.
- APEDA organized sensitization programme with stakeholders and exporters of vegetables on enhancement in physical checks on arrival of certain vegetables in EU especially yard long beans, okra, green chili and drumsticks on 19th December 2023.

J. CONSULTATIVE AND STAKEHOLDER MEETINGS

- A meeting was organized with FSSAI regarding discussion on requirement of laboratories and testing parameters for organic products on 23rd May 2023.
- A meeting was organized with Spice Board of India for discussion on establishment of laboratory by Spices Board for analysis of organic products at Sikkim on 29th May 2023;
- Coordinated for data compilation and analysis for meeting to discuss EU (Rapid Alert System for Food and Feed) RASFF & Rapid Exchange of Information System (RAPEX) notifications issued against Indian products under categories - 'potential risk', 'potentially serious' and 'serious'. Also, prepared status report of RASFF notification received during last three years for further evaluation.
- The list of chemicals with CIB & RC label claim for use in grapes, and the list of agrochemicals to be monitored for the grape season 2023-2024 and "Grapes test format for laboratories" have been updated in Grapes export procedure for season 2023-2024.
- APEDA participated in 12th screening committee meeting of FSSAI for food safety auditing agencies held on 15th September 2023.
- APEDA participated in joint workshop organized by FSSAI on 15th September 2023 for food testing laboratories and their extension of accredited scope for testing organic food products.

- APEDA participated in Global Food Regulators Meet, organized by FSSAI in collaboration with Ministry of Health and Family Welfare on 20-21 July, 2023. APEDA contributed in CEO's dialogue on 20th July and led the panel discussion on "Organic Foods" on 21st July 2023.
- Under the Financial Assistance Scheme of APEDA for upgradation of analytical parameters to meet the requirements of export of agricultural products, APEDA has granted financial assistance for upgradation of food testing laboratory in Assam Agricultural University.

K. FINANCIAL ASSISTANCE FOR UPGRADATION OF LABORATORIES

- APEDA provides financial assistance to its authorized laboratories for upgradation and strengthening of laboratory infrastructure for export certification as well registered exporters for in-house laboratory equipment
- IPA was issued for six applications pertaining to quality components of FAS of which five were issued to various exporters and one for lab.

14. GI PRODUCTS

In FY 2023-2024, a total of 39 GI products were registered, showcasing the diverse agricultural and cultural heritage of India. Several states added Geographical Indication (GI) products related to APEDA's Scheduled GI Agri Food Products.

Andhra Pradesh introduced Atreyapuram Pootharekulu, while Arunachal Pradesh secured GI certification for Yak Churpi, Udampur Kaladi, Adi Kekir (Ginger) and Angnyat Millet. Bihar added Marcha Rice and Gujarat registered Kachchhi Kharek and Tripura added Matabari Peda (Sweet). Haryana contributed Bundelkhand Kathiya Gehu and Jammu & Kashmir added Mushqbudji Rice, Bhaderwah Rajmash, Ramban Sulai Honey, and Ramban Anardana.

Maharashtra added Bhandara Chinoor Rice, Udangudi Panangkarupatti, Panchincholi Tamarind, Borsuri Tur Dal, Kasti Coriander, Badlapur Jamun and Bahadoli Jamun. Meghalaya now includes Meghalaya Chubitchi and Odisha registered Kendrapara Rasabali, Khajuri Guda, Dhenkanal Magji, Similipal Kai Chutney, Nayagarh Kanteimundi Brinjal, and Koraput Kalajeera Rice. Uttarakhand contributed Uttarakhand Berinag Tea, Uttarakhand Mandua, Uttarakhand Jhangora, Uttarakhand Gahat, Uttarakhand Lal Chawal (Red Rice), Uttarakhand Malta Fruit, Uttarakhand Buransh, Uttarakhand Pahari Toor Dal, Ramnagar Nainital Litchi, and Ramgarh Nainital Aadu (Peach).

A. MAJOR EXPORT DESTINATION FOR GI PRODUCTS:

Exports of GI products such as Basmati Rice, Mango, Pomegranates, Bangalore Rose Onions, Sangli Grapes/Raisin, Banana and products of North-Eastern Region such as Joha Rice of Assam, Black Rice (Chak-Hao), Naga Mircha, Mithila Makhana and their derived processed products. Potential importing countries such as UAE, Indonesia, Kuwait Iran, Thailand, Bhutan, Belgium, Switzerland, Germany, Saudi Arabia, Uzbekistan, etc., for the promotion of APEDA scheduled products. Special focus is given on export of GI-tagged products.

B. GI INITIATIVES FOR FY- 2023-24:

- GI products were showcased during AAHAR 2023 & World Food India 2023. The theme of APEDA pavilion was centered around GI products. APEDA showcased wide range of registered GI products and also sensitized the stakeholders and visitors on their various queries related to GI products.
- The event of SIAL India 2023 was scheduled from December 7-9, 2023 at IICC Dwarka, New Delhi. APEDA participated and promoted GI products during the SIAL India 2023. The state wise illustrated map of Agri- Food APEDA scheduled GIs during the event with display of products.
- In April 2023, Alphonso and Kesar mangoes were exported to the USA from Maharashtra.
- In June 2023, Shri. Yogi Adityanath, Chief Minister UP, flagged off GI-tagged Banaras Langda Mango from Varanasi, Uttar Pradesh.
- Season first consignment of GI tagged Zardalu mango was exported from Bhagalpur, Bihar to Dubai, UAE on 8th June 2023.

APEDA successfully participated in India GI Fair- 2023 organized by Export promotion council of handicraft (EPCH) from 20th to 24th July, 2023 which facilitated the exporter of Makhana (fox nut), Kesar, Kala Namak Rice as well as displayed Agricultural GI products in APEDA pavilion at India Expo Mart, Greater Noida. UP.

15. TRADE FAIRS

15.1 INTERNATIONAL EVENTS:

1. SIAL FOOD CANADA

SIAL Canada was organized 09th-11th May, 2023 in Toronto, Canada. SIAL Canada is a key component of the Canadian agrifood sector. It also provides a gateway to the US and other international markets. APEDA took the space of 99 sq mtrs. where 10 APEDA registered exporters were participated.

2. SEOUL FOOD & HOTEL EXHIBITION 2023, KINTEX, SEOUL, SOUTH KOREA, 30th May 2nd June, 2023

Seoul Food & Hotel was organized from 30 May to 2 June 2023 at KINTEX Exhibition Centre - I, Seoul, South Korea. During the exhibition, about 1000 Food entrepreneurs from more than 30 countries exhibited their products in 2,500 stands. The Exhibition attracted more than 50,000 visitors from all over the world and they were truly impressed by the assortment of multitude of food products.

3. AFRICA BIG SEVEN/SAITEX-2023 JOHNESSBURG, SOUTH AFRICA, 18th – 20th June, 2023

The AFRICA BIG SEVEN/SAITEX-2023, Held at GALLAGHER CONVENTION CENTRE, MIDRAND, JOHANNESBURG, SOUTH AFRICA, was a magnet for thousands of specialty food buyers from the top names in retailing and food service from around the world. The three-day event, the largest marketplace devoted exclusively to specialty foods and beverages in North America, took place 18th to 20th June, 2023. More than 80 countries and regions were represented.

4. SUMMER FANCY FOOD SHOW 2023, JAVITS CENTER NEW YORK CITY, 25th TO 27th JUNE 2023

Hon'ble Consul General of India, New York Shri Randhir Jaiswal inaugurated APEDA India Pavilion at Summer Fancy Food Show, New York being organized during 25 - 27 June 2023 in New York, USA on 25th June 2023. Fancy Food Shows featured thousands of products from more than 40 distinct categories, and the Show floor was designed with pavilions for high-traffic segments. For the 67th Summer Fancy Food Show, pavilions included Bakery, Confectionery and Snacks.

5. FOOD & HOTEL INDONESIA 2023, INDONESIA, 25th – 28th JULY, 2023

APEDA organized participation in Food & Hotel Indonesia along with exporters, processors, startups, women entrepreneurs and FPOs from 25 – 28 July, 2023. The Indian pavilion was amongst the largest pavilion at the show. In the wake of International Year of Millet 2023, the theme was focused on export promotion of millets and its value-added products. An exclusive pavilion was built to display the variety of Indian millet goods. Indian entrepreneurs and FPOs were provided free space to display their Millet-based value-added goods and organize sample and tasting campaigns throughout the course of the five-day event.

A dinner was hosted by APEDA in consultation with Embassy of India, Jakarta to facilitate B2B interaction at LAWU Hall in Jakarta International Expo, Jakarta.

6 VIET FOOD & BEVERAGE 2023, HO CHI MINH CITY, 10th TO 12th AUGUST, 2023

Vietfood & Beverage is an annual international trade fair focused on the food and beverage industry. It has been held every year since its inception in 2000. The name of the fair is an acronym; "Viet"

represents Vietnam, while “food & beverage” denotes the industries the event serves. Vinexad, a renowned trade promotion company in Vietnam, organizes this event at the SECC Saigon Exhibition & Convention Center in Ho Chi Minh City, Vietnam’s largest city. APEDA participated in this event which was held during 10-12 August, 2024 to showcase a wide range of products and services from the food and beverage industry. This includes everything from food, beverages and dietary supplements, to the latest in food processing techniques and packaging solutions

7. FINE FOOD AUSTRALIA, SYDNEY, 11th -14th SEPTEMBER 2023

APEDA participated in Fine Food Australia at International Conventional Centre Sydney from 11 -14 September 2023. APEDA booked 108 sq mtr space in the event and build APEDA India Pavilion at Hall No. 4 of International Conventional Centre, Sydney. Under India Pavilion 10 stalls of registered exporters and APEDA pavilion was set up.

The exporter mainly exhibited products like Ready to Eat, ready to cook curries, non-basmati rice, cereals, Millets and Millet products. At APEDA pavilion arrangement of wet sampling of Biryani and Millet products was made. An exclusive display of millets and millets products in a dedicated stall was the point of attraction for the visitors.

8. WORLD FOOD MOSCOW 2023, 19th – 22nd SEPTEMBER, 2023

World Food Moscow is an annual event that brings together professionals and experts of the food industry: food manufacturers and suppliers, buyers from wholesale and retail trade, as well as public

catering enterprises. This year, more than 1,000 companies from 39 countries participated and showcased their products in two halls of the Crocus Expo at Moscow.

As this being the International year of millets, special focus was laid on promotion of millets. A consignment of potential millet value added products was sent to Moscow for display and distribution. Considering the potential of Basmati rice exporters in Russian market, Basmati rice promotion was carried out.

A networking dinner was jointly organized by APEDA and Embassy of India, Moscow on 20th September 2023 at Hotel Astrus, Moscow which was attended by more than 60 importers from different food supermarkets in Russia, logistic firm and Govt officials and about 70 exporters from India.

9. SAUDI AGRO FOOD 2023, RIYADH, SAUDI ARABIA, 23rd– 26th OCTOBER 2023

Held in Riyadh International Convention & Exhibition Center – RICEC, Riyadh (Saudi Arabia), Saudi Agro-Food is an international trade exhibition for food products, ingredients and technologies. Taking place in October, this event provided an opportunity for exhibitors to showcase their products and services to an international audience.

Exhibitors were benefitted from the opportunity to network with other industry professionals and build relationships with potential customers and partners.

As the year 2023 was declared as International Year of Millets, in order to create awareness and to promote value added Millet and Millet based products, samples of value added ready-to-eat and ready-to-cook, millet products were kept on display.

to boost the export and address challenges associated in agri export and the implementation of UP Agri Export Policy at cluster level etc.

- APEDA Official briefed the challenges at bottle neck and also backward supply chain along with APEDA activities in UP. The Chief Secretary advised the concerned officials to coordinate with APEDA and work to eliminate/minimize the challenges.
- **Interaction with Hon'ble Chief Minister Govt. Of UP at Varanasi:** As invited by the Hon'ble Agri Minister Govt. of UP On dated 15.06.2023, one to one interaction took place with Hon'ble Chief Minister & Hon'ble Minister of Agriculture Govt. Of UP at Circuit House Varanasi.
- Hon'ble CM appreciated the efforts of APEDA for linking the FPOs and products from several districts of UP to the international market. He also advised the Hon'ble Agriculture Minister to give all support to APEDA to boost the export from the state. Further he desired to flag off the shipments from the newly established Packhouse (which was inaugurated by Hon'ble Prime Minister) at Varanasi as soon as possible.
- **Meeting on export of GI tagged Jardalu Mango from Bhagalpur:** On 04th May 2023, APEDA, Varanasi organised a virtual meeting on the Export of Mango and Banana from Bhagalpur, Bihar. The objective of the meeting was to boost the export of GI tagged Jardalu mango, GI tagged Katarni rice and Banana of the Bhagalpur region.
- **Stakeholders meet at Pant Nagar:** On 07th May 2023, a physical meeting took place with stakeholders at G B Pant Agriculture University, Pant Nagar, Uttar Pradesh. Agri exporters, FPOs, Officials from different departments, progressive famers, traders, etc. participated in the meeting.

Meeting with Hon'ble MP Fatehpur Sikri, Agra and District administration for Potato Export:

On 03rd April 2023, a meeting took place at Agra for promotion of potato export from Agra and nearby areas. The meeting was chaired by Shri Raj Kumar Chahar, Hon'ble MP, Fatehpur Sikri, Agra in the presence of CDO Agra. Officials from Horticulture, Agriculture, NABARD, MANDI etc. attended the meeting. Bottlenecks involved in export potatoes were discussed.

- **Interaction with Honey Producers and Exporters at Bagpat:** An interaction took place with Honey Producers and Exporters of Bagpat, Western UP on 05th April 2023. The main objective of the interaction was to sensitize the Honey producers and exporters.
- **Meeting with Divisional Commissioner Ayodhya for promotion of Agri export from Ayodhya Region:** On 13th March 2023, a meeting took place with Divisional Commissioner of Ayodhya Region for triggering the agri export from the region. The major objective of the meeting was to discuss the role of AEP and the importance of AEP implementation in agri export.
- **Review meeting on "Uttarakhand Agri Export" Chaired by Hon'ble MoS, MoC&I at Pant Nagar:** on 07th May 2023, APEDA organized a review meeting on developments in agricultural export from Uttarakhand State at G. B. Pant University of Agriculture and Technology. The review meeting was chaired by Hon'ble MoS, MoC&I. Smt. Anupriya Patel.
- **Meeting with District Administration Champavat and other Stakeholders:** On 09.06.2023, APEDA organised a meeting with District Administration and other stakeholders in the presence of DM at their office in Champavat, Uttarakhand. Secretary to CM, Govt. of Uttarakhand had requested APEDA to explore the opportunities of agri export from Champawat district. As desired, DGM (CBS) visited the Champawat and interacted with stakeholders to identify potential products of district such as Honey, Malta, Pear, Ginger, Banyard Millet, Pancheshwar Mango, Khateda Nashpati, etc. During the meeting APEDA officials encouraged Organic certification for special products. Mandi Tax in UK is 2.5% which is also one the major bottlenecks for agri trade in the region.
